

Looking Back ...

Measure	HCHS Result		AB Result	
	2023	2022	2023	
5-year High School Completion	87.9	80.3	88.6	Improved
PAT - Acceptable	60.7	44.9	63.3	Improved
PAT - Excellence	8.4	5.2	16.0	Improved
Drop Out Rate	2.3	0.9	2.5	Excellent
Program of Studies	84.0	76.6	82.9	Excellent
Work Preparation	80.6	69.9	83.1	High

We are pleased with the improvement demonstrated in all of these areas, particularly in the significantly improved PAT - Acceptable results. This speaks to the ongoing work of staff to ensure that students have access to excellent instruction.

We are also thrilled that our community recognizes the tremendous effort we make to offer a broad program of studies including fine arts, CTS and physical education in a rural setting.

We continue to maintain an excellent (low) drop out rate which is likely partially related to excellent support through our CALM, Work Experience and Registered Apprenticeship Programs.

Looking Back ...

Measure	HCHS Result		AB Result	
	2023	2022	2023	
Citizenship	62.5	62.1	80.3	Maintained
3-year High School Completion	70.5	77.8	80.7	Declined
Diploma Exam Excellence	7.2	6.6	21.2	Improved
Parental Involvement *	69.7	69.7	79.1	Maintained

For the last several years, we have worked hard encouraging our parents to respond to the annual Assurance Survey and we are pleased with our current results particularly when compared to the provincial response rate for grade 10 parents. Nevertheless, we continue to communicate and clarify with parents regarding how they can be involved in their child's education.

Overall, we continue to seek ways to improve our instruction thereby increasing the number of our students performing at the excellent level as measured by the Diploma Exam scores.

Parent Participation in Assurance Survey (Grade 10)			
	HCHS	Province	
N	19	7792	
% (parents/students)	23%	15%	High

This year, we revamped our existing student-at-risk tracking in order to ensure that our senior high students, regardless of grade, are on track to meet graduation requirements. We anticipate our 3-year completion rate to return to acceptable/previous levels in the coming year.

Looking Forward...

90 Day Plan

#1: October 1 - December 31
Increase student engagement in learning.

#2: January 1 - March 31
Trauma-informed practice

#3: April 1 - June 30
TBD

Instruction: Lesson objectives are clearly communicated in 2 or more modes.
Safe and Caring: Implement and maintain phone policy - all phones are collected in every class.
Attendance: Communication and follow-up improvements facilitated by streamlined data management.

Readiness to learn:
Universal activities to support all students:

#3: April 1 - June 30
TBD
